

Complete Facility Services Receives ISO 9001:2015 Quality Standard Certificate

ATLANTA – January 25, 2022 – Complete Facility Services (CFS), LLC today proudly announces the company is now ISO 9001:2015 certified.

ISO 9001:2015 is a quality standard maintained by the International Organization for Standardization (ISO) and is administered by accreditation and certification organizations such as Performance Review Institute (PRI) Registrar.

With the ISO certification, PRI Registrar now recognizes CFS for having met the stringent requirements of this international standard, its ongoing commitment to satisfying stakeholders, and unwavering dedication to continual improvement of its management system.

“Earning the ISO 9001:2015 certification is another honorable distinction for the CFS team,” said F. Nazir Hill, the company’s chief executive officer. “This international recognition is testament to our focus on quality service and standards designed to ensure we perform at a high level every day, and we are excited about this great designation.”

“Complete Facility Services has demonstrated its commitment to world-class quality management by implementing and becoming certified to the ISO 9001 standard,” said Randy Daugharthy, director of the Registrar Program at the PRI Registrar. “The company has joined an elite number of organizations worldwide who have achieved certification to this globally recognized quality standard. We are proud to partner with CFS in this accomplishment and look forward to continued support of their objective of quality excellence.”

About Complete Facility Services

Founded in 2012 in Suwanee, Georgia, Complete Facility Services, LLC (CFS) is a full-service maintenance company, providing cost-effective facility management services 24/7. CFS offers a range of services to maintain the internal and external aesthetics and operations of a facility.
